

Plan 24 - Chronological Bible Reading Plan

This Bible reading plan will take you through the entire Bible in an historical linear timeline order with the first events first to the last. Each line represents a day's reading, you may progress as you do your devotions in any order you would like. This list will take one year if each line is read each day. If you read more on one day and less on another, you can still track your progress.

Recommend you print out this Chronological Bible Reading Plan and keep a copy in your Bible.

Tips on Reading the Bible Daily

1. Set aside a specific time each day. Set your schedule and then stick to it. Mornings are great, but feel free to use any time that works consistently for you.
2. Read the Bible for the sake of learning, not simply to accomplish your next reading. Say a short prayer to God before you begin, asking the Holy Spirit to give you wisdom and understanding, then be refreshed by the words you read!
